

VIP-Foundry Hook VWH 22

Artikel-Nr: 7998158

Often referred to as the container hook. Considerably larger mouth width than VCGH but without a safety latch.

Use only where unintentional unhooking is impossible. **Inappropriate for overhead lifting!** When using foundry hooks, special attention must be paid and a risk assessment must be carried out before using.

- Robust cross section (Size C/G) is resistant against increased lateral forces.
- Specially designed wearing edges to protect the chain link, compare the dimension "E".
- Gauge marks for measuring the width of the hook opening .
- Connecting bolt and tensioning sleeve are pre-assembled.
