

Container Hook VCH-12,5t

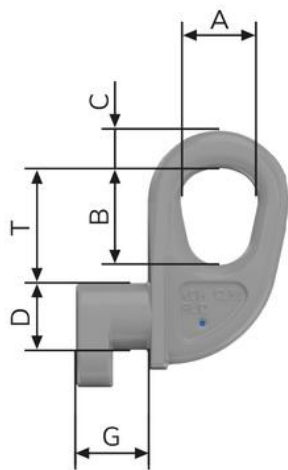

Artikel-Nr: 7908182

Suitable for ISO container edges. A permanent connection using a VVS or a loose component for hook mounting. Attention: RUD-VCH hooks are not suitable for vertical lifting. Given a minimum inclination angle of 30° during the lifting process, the hook cannot automatically open. Containers 1D, 1E and 1F can be lifted from the top edges using a 4 -leg assembly and a max. inclination angle of 30°

Container Hook VCH-12,5t
