

Bright 660 lumens

Compact design - 15mm

Waterproof - IP67

Robust aluminium housing

Did you know?

The durable casting and protective potting round the optics offer defence against various operating conditions, including pressure washing. This is particularly beneficial in robust applications such as livestock settings, horse boxes, and trade vans, where lights are exposed and susceptible to damage.

Potting over optics

ECE-R10 approved

Long life, high intensity LEDs

NEW
