

ICE-Self locking hook for skip dumpers IMAGH-13

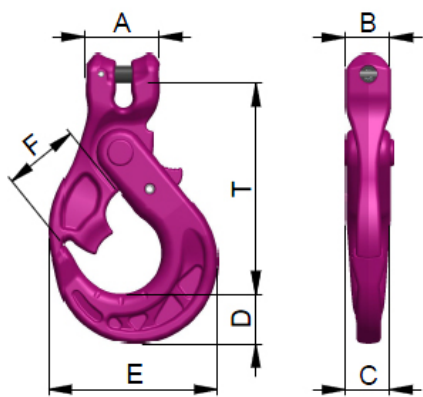

Artikel-Nr: 7906216

Robust designed ICE-Automatic - Clevis hook for containers and waste management vehicles. Owing to it's special design, waste management vehicles with the respective suspension points according to DIN 30720 can be safely hooked in. Under applied load, the hook closes automatically and can only be opened, if not under load, by operating the protected trigger at the back of the hook. There is no protruding hook tip and it is manufactured according to DIN EN 1677-3. Connecting bolt and tensioning sleeve are pre-assembled.
