

Up to 1980 lumens

Waterproof - IP67

Wider and brighter light projection to effectively highlight the working area around the vehicle

ECE-R10 approved

Long life, high intensity LEDs

Extended warranty

10-YEAR FIT AND FORGET PROMISE FOR YOUR PEACE OF MIND.

All Labcraft lights are designed and manufactured in the UK, guaranteeing full quality control and consistency. The Si6 comes with a free 10-year extended warranty as standard.

*Warranty period may be affected or void if the light is used outside of its intended application, voltage or environmental specifications. Terms and Conditions apply.

VEHICLE APPLICATIONS For application guide go to page 60.

WHAT OUR CUSTOMERS SAY

“ The premium-quality of Labcraft’s equipment matches that of our own, and it’s what our customers expect. Everyone is impressed with the lights, so it makes sense to specify Labcraft as standard. We require efficient and reliable lighting – both inside and outside the vehicle. Labcraft’s LED lights perfectly fit the bill in both respects.”

- Craig Lewis, Director, MCLAREN SPORTS HOMES
